GET THESE BENEFITS WITH A SMART LEARNING SUITE SUBSCRIPTION

INTEGRATION WITH STUDENT DEVICES

SMART Learning Suite lets students use their devices to:

- Engage in lessons anywhere, not just in front of the class
- Play gamification activities
- Complete formative assessments

GAMIFICATION

SMART lab lets teachers quickly build fun, engaging and visually appealing game-based activities.

- All content is customizable to grade and subject
- Leverages student devices

INSIGHT INTO LEARNING

SMART Learning Suite gives unprecedented insight into the learning process of your students.

- Create formative assessments that students can complete on any device
- Watch work as it unfolds in collaborative workspaces where students lead their own learning

SAVE TEACHERS' TIME

SMART Learning Suite provides the tools teachers need to make pedagogically sound lessons fun, without draining all of their time.

- Create game-based activities and formative assessments in under 5 minutes
- Find templated activities on the SMART Exchange network
- A simple interface that lets teachers focus on teaching
